ABOUT KIHEAT

Kamal Institute of Higher Education and Advance Technology (KIHEAT) is a premier institution committed to academic excellence, innovation, and holistic development. Established in **2001** by Sankalpa Educational Welfare and Charitable Society (Regd.), the institute aims to prepare professionals in the fields of Management, Information Technology, Commerce, Education, and Creative Arts to meet the growing demands of the 21st century.

Affiliated with **Guru Gobind Singh Indraprastha University (GGSIPU)**, KIHEAT offers industry-oriented programs supported by a highly qualified faculty in Management, IT, Finance, Marketing, and emerging technologies like Python and Data Analytics.

The institute focuses on holistic development by combining academic excellence with practical exposure, critical thinking, and ethical values. Through case studies, live projects, workshops, guest lectures, and industry collaborations, KIHEAT ensures experiential learning.

Following Government of India policies, KIHEAT expanded its affiliation with **GGSIPU by introducing B.Ed. (2009–10), BBA and BCA (2011–12), and B.Com (H) (2014–15).**

At present, the institute offers the following programmes:

- **Bachelor of Business Administration (BBA)**
- **Bachelor of Computer Applications (BCA)**
- **Bachelor of Commerce (Honours) – B.Com (H)**
- **Bachelor of Education (B.Ed.)**
- **Certificate Course in Theatre and Filmmaking**

The institute places strong emphasis on practical exposure by providing students with opportunities to engage with industries and educational institutions. Its student-centric approach ensures that learners are equipped with both technical competencies and essential soft skills, making them confident, competent, and industry-ready professionals.

“We believe in nurturing young minds with knowledge, values, and confidence to help them succeed in their academic and professional journey”

LEADERSHIP MESSAGES

DR. V.P. TANDON

AN EDUCATIONIST

CHAIRMAN: KAMAL, VANDANA, GURUGRAM & TRINITY GROUP OF EDUCATIONAL INSTITUTIONS

“Education, guided by vision, has the power to reform and rebuild society”

It gives me great pleasure to welcome you to Kamal Institute of Higher Education and Advanced Technology (KIHEAT), an institution dedicated to excellence in education and overall development.

In today’s dynamic world, education must go beyond academics and focus on building critical thinking, strong values, and a sense of responsibility. At KIHEAT, we are committed to creating an environment where knowledge is combined with practical learning, innovation, and ethical conduct.

With experienced faculty, modern infrastructure, and a supportive learning culture, we aim to nurture confident, skilled, and responsible individuals ready to face future challenges. I encourage you to stay focused, work hard, and make the most of the opportunities provided. Wishing you a successful and enriching journey ahead.

DR. VANDANA TANDON

GENERAL SECRETARY

We believe that education is a shared responsibility where students, parents, faculty, and management work together as partners. Strong coordination among all stakeholders is essential to achieve the common goal of quality education.

With the support of our dedicated, qualified, and experienced faculty, along with well-developed infrastructure, we strive to create a positive and enriching learning environment. Our focus is not only on academic excellence but also on nurturing confidence, values, and a sense of responsibility among students.

We are committed to preparing our students to face the challenges of the modern world with competence and integrity, ensuring their holistic growth and success.

DR. PRANAY TANWAR

[M.PHIL, PH.D (MATHS), PGDBA (HR)]

DIRECTOR

“Education is the investment that compounds for a lifetime, creating value far beyond returns.”

Dear Students,

Welcome to KIHEAT, an institution committed to academic excellence and holistic development. We believe education is not just about knowledge, but about building character, confidence, and the ability to face future challenges.

With a supportive environment, experienced faculty, and modern facilities, we encourage you to explore your potential and grow into responsible individuals. Stay focused, make the most of every opportunity, and strive for excellence in all that you do. Wishing you a successful and enriching journey ahead.

DR. PRANAY TANWAR

DIRECTOR
KIHEAT

PRINCIPAL

“The willingness to learn is what truly takes you forward”

Dear Students,

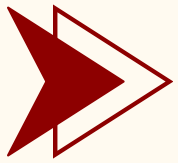

I warmly welcome you to Kamal Institute of Higher Education and Advance Technology. This marks the beginning of a meaningful journey filled with learning, growth, and new opportunities.

At KIHEAT, we believe education goes beyond textbooks—it is about understanding, exploring, and applying knowledge with confidence. With a supportive environment and engaging academic culture, we encourage you to develop skills, discipline, and a positive outlook towards life.

Stay curious, remain committed, and make the most of every opportunity. Your dedication to learning will shape your future success. Wishing you a rewarding and successful journey ahead.

OUR VISION AND MISSION

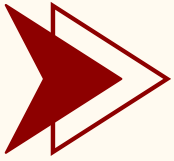

VISION

The institute's vision is to prepare young leaders who are capable of facing environmental challenges for the promotion of economic and social development of the country and who are also able to play a creative role in the upliftment of mankind.

MISSION

The institute lays greater emphasis on a pattern of education which is a queer mixture of traditional, cultural and moral values coupled with the use of new technology in the sphere of Teacher Education, Management, Information Technology and Journalism which will convert the dreams of students into reality.

WHY CHOOSE KIHEAT?

At **Kamal Institute of Higher Education and Advance Technology (KIHEAT)**, we are committed to delivering an educational experience that blends academic excellence with practical learning and holistic development.

Academic Excellence

A well-structured and updated curriculum supported by experienced and dedicated faculty ensures strong conceptual understanding and real-world application.

Holistic Development

We focus beyond academics by nurturing communication skills, leadership qualities, creativity, and ethical values, helping students grow into confident individuals.

Modern Infrastructure

Smart classrooms, well-equipped laboratories, and rich learning resources create an environment that supports effective and engaging learning.

Skill & Career Readiness

Through skill development programs and continuous guidance, we prepare students to meet the demands of the professional world with confidence and competence.

Student-Centric Approach

Personal attention, interactive teaching methods, and a supportive environment ensure that every student is encouraged to explore their potential and achieve excellence.

Vibrant Campus Life

A culture of co-curricular activities, cultural events, and collaborative learning makes campus life enriching and memorable.

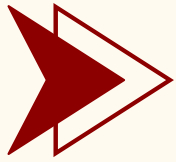

“KIHEAT is not just an institution—it is a place where knowledge transforms into success and aspirations turn into achievements”

ACADEMIC EXCELLENCE

ADMISSION PROCESS

Eligibility, Selection Procedure, and Important Guidelines

The admission process at KIHEAT is transparent, merit-based, and follows the guidelines of Guru Gobind Singh Indraprastha University (IPU).

Eligibility:

Candidates must meet IPU's prescribed criteria. For BBA, BCA, and B.Com (H), applicants should have completed 10+2 from a recognized board. For B.Ed., a relevant bachelor's degree with required marks is necessary.

Selection Process:

Admissions are based on IPU norms and include registration, application submission, merit/entrance consideration, counseling, seat allotment, document verification, and fee payment.

Guidelines:

Applicants must ensure accurate information, meet eligibility criteria, and complete all formalities on time for admission confirmation.

Documents typically required at the time of admission include:

- Class X and Class XII marksheets and certificates
- Graduation mark sheets (for B.Ed.)
- Entrance examination / merit proof (if applicable)
- Transfer certificate / Migration certificate (if required)
- Identity proof
- Passport-size photographs
- Any other documents specified by IPU

KIHEAT provides guidance and support throughout the admission process, ensuring that students experience a smooth transition into their academic journey.
